

Bio

George Lorente, Grants Manager, San Joaquin Regional Transit District

Mr. Lorente joined RTD in 2008 and shortly thereafter named the 2010 Administration Employee of the Year. In 2011, he was promoted to Grants Manager and has assisted the agency in securing over \$60 million in competitive grants for BRT infrastructure, facilities, and hybrid buses. His role includes grant administration, grant compliance, capital planning, and grant application development. Most recently, he was RTD's project coordinator for the All-Electric Bus Demonstration Project. Mr. Lorente holds a Bachelor's of Arts in Mass Communications from the University of California, Los Angeles and is a graduate of the Transit Paratransit Management Certificate Program from the University of the Pacific.
